Digital Citizenship

Digital Access
I fully participate electronically in society.

— I use my device for educational purposes.
— I connect to the assigned Wi-Fi network.
— I access appropriate sites.

Digital Etiquette
I communicate respectfully.

— I am always respectful online and on the Alef platform.
— I model and share best practices with my classmates to adopt the best digital etiquette.
— I use appropriate language.

Digital Literacy
I learn about technology.

— I am always up to date with technical releases that will improve my performance on the Alef platform.
— I am able to filter the searches using search engines and proper keywords.
— I am able to identify misleading information.

Digital Communication
I exchange information electronically.

— I ensure to remain fully engaged with the Alef platform when I am at school.
— I read and apply my teacher's comments and feedback.
— I communicate effectively with my teachers and classmates.

Digital Law
I take electronic responsibility.

— I follow the terms and conditions of the Alef platform and the digital world.
— I always reference other people's work.
— I do not participate in cyberbullying.
— I do not share my work and answers with others.
— I do not share my username and password with others.

Digital Security
I follow electronic precautions to guarantee safety.

— I protect my private information and don't share it with anyone. I use strong passwords and keep them private.
— I make sure to access secured websites only.
— I share information on the dangers of not protecting private data.

Digital Health & Wellness
I take care of my physical and psychological well-being in the digital world.

— I choose the right posture while using the Alef platform.
— I follow digital wellness regulations covering physical and psychological well-being in a digital world.
— I stay a fair distance from my screen to avoid eye strain.
— I balance my time between technology and spending my time with my family and friends.

Digital Rights & Responsibilities
I understand my digital rights and responsibilities.

— It's my right to get equal learning opportunities on the Alef platform to improve my academic achievement.
— I make sure that my device is placed appropriately on the desk.
— I make sure that my device is switched on/off at the beginning and end of a lesson and return it to the charging cart.
— I keep liquids away from my device.
— I turn my device on/off at the appropriate times.
